

Interior Designer

Job Information Pack

Job Title	Interior Designer
Location	Amman, Jordan

The Role

Entry-level position, ideal for recent graduates or individuals with a few years of experience. This role focuses on supporting the design and execution of interior design projects, providing an opportunity for skill development and professional growth in a dynamic and collaborative environment.

Responsibilities

- **Drafting and Modeling:** Assist in developing interior design drawings and 3D models using CAD and BIM software.
- **Project Documentation:** Prepare, organize, and maintain project-related documents, including drawings, reports, material schedule selection, material mood boards and presentations.
- **Team Collaboration:** Work closely with lead and senior interior designers to understand project requirements and contribute to team efforts.
- **Learning and Development:** Engage in continuous learning through training sessions, workshops, and mentorship to advance interior design knowledge, skills and code compliances.

Qualifications

- Bachelor's degree in Architecture or Interior Design.
- 0-3 years' interior design experience in multidisciplinary design studio.
- Proficiency Sketchup, Revit, Photoshop, and InDesign. Rhino (Grasshopper or dynamo) are an advantage.
- Proficiency in graphics, 3D visualization and presentation.
- English proficiency & good communication skills.
