

SENIOR INTERIOR DESIGNER

Job Information Pack

Job Title	Senior Interior Designer
Location	Riyadh, Saudi Arabia

The Role

Omrانيا is looking for a talented and experienced Senior Interior Designer with strong background in, but not limited to, 5 stars and boutique hotel and high-end residential interior design. We need someone who holds a Bachelor's or Master Degree in interior design or architecture, with a minimum of 10 years of professional experience. You will have excellent understanding of interior design (material, finishes, products and construction detailing), be fluent in English, and have team-management, interpersonal, and communication skills.

Responsibilities

- Creative thinking and ability to produce brilliant interior design concepts.
- Supervising the activities of interior designers and detailers to ensure the proper interpretation of project briefs and client requirements, development of designs and preparation of construction documentation.
- Creating outstanding, unique design concepts.
- Preparation of space allocation programs for new building designs.
- Preparation of sketch layouts and details for finalization by interior designers/detailers.
- Selection and specification of materials, furniture, fixtures and equipment (FF&E).
- Ensuring that the interior design is properly coordinated with the requirements of other design disciplines.
- Ensuring the completeness and quality of the output of interior design team.
- Ensuring that work is prepared and completed in accordance with established project design schedules.

Requirements

Suitable candidate will have:

- A Bachelor's or Master's Degree in interior design, or architecture.
- A minimum of 10 years' experience, with a thorough knowledge of all aspects of interior design.

- Knowledge in applicable international codes (NFPA, IBC, ADA) and interior systems.
- Experience in soft finishes (textiles, veneers, rugs, and furniture).
- Excellent understanding of interior design, material, finishes, products and construction detailing.
- Excellent communication skills, able to present and defend the designs in front of the client and other stakeholders.
- Good freehand presentation skills
- The ability to use Revit, AutoCAD, 3D-Max, Sketch Up and Photoshop and other presentation software.
- The ability of managing the design team time and tasks within the approved budget.
- Excellent English language skills.
- Good team-oriented communication and leadership skills.
- Eligibility to live and work in Saudi Arabia.

Compensation & Benefits

- Competitive Salary
- Family Status
- Health Insurance
- Annual Vacations
- Annual Plane Tickets
- Training
- Bonuses
